Save/Exit

The image shows a software window titled "EditMember". Inside the window, the word "Member" is centered at the top. Below it are three input fields: "Name:" followed by a text box, "Type:" followed by a text box, and "DOB:" followed by a dropdown menu. At the bottom of the window, there are two buttons: "Change Photo" on the left and "Save/Exit" on the right. The "Save/Exit" button is highlighted with a dashed border and small square handles at its corners, indicating it is selected or being edited.
